

eCampusOntario French Experiential Learning Community of Practice Committee Member Positions

Submission Deadline: December 15, 2023

About eCampusOntario

eCampusOntario is a not-for-profit organization that accelerates the transformation of postsecondary digital learning in Ontario to increase participation in higher education. The organization leads a consortium of the province's publicly-assisted colleges, universities and Indigenous institutes to advance the development and adoption of online and digital learning technologies, programs and environments.

The Opportunity

eCampusOntario is establishing a community of practice (CoP) around experiential learning in Franco-Ontarian settings to guide the expansion of materials and programming available in French in the province. This CoP would serve as an advisory group to the Consortium d'apprentissage expérientiel francophone de l'Ontario (CAPFO). CAPFO is a program established by eCampusOntario to help bridge the gap between available francophone industry projects and the francophone postsecondary education sector in Ontario looking to partner for experiential learning opportunities.

We are seeking six (6) volunteer committee members with the expertise to provide insights in experiential education and work-integrated learning. The committee members will help advance experiential education skills of educators to enable enhanced learning opportunities for learners.

The experiential learning CoP will be a framework for cohesion, consultation, resource pooling, sharing and development between French, bilingual and English language institutions engaged in work to advance francophone experiential learning activities and interests. The committee will focus on enhancing digital solutions to help educators prepare learners with the important skills that prepare them for a meaningful future.

The CoP will support and advise eCampusOntario on:

- **The professional development (PD) of postsecondary francophone educators in experiential learning (EL) and digital work-integrated learning (WIL) teaching practice;**
- **The curation and uptake of EL and WIL education resources and solutions available in the eCampusOntario Open Library and across institutions;**
- **The insights and recommendations about the future of EL and WIL, and challenges associated to EL-based and WIL-based learning.**

Meetings will be conducted in French and take place virtually.

Approximately four meetings are anticipated per annum. **The inaugural meeting will be scheduled for mid-February 2024.**

Qualifications

- Ontario Postsecondary Sector-specific knowledge
- Expertise in systemic supports for experiential learning (EL) and WIL OR research-based experience in EL and WIL
- Firsthand user experience with experiential education in-person, hybrid and/or online
- Subject matter expertise EL and WIL-related instructional design, digital pedagogy, educational technology, research and open education resources relating to experiential learning and/or work-integrated learning.

If you are interested in applying for these volunteer positions, please submit a CV and a cover letter to **Andrea Krasznai** at akrasznai@ecampusontario.ca by **Friday, December 15, 2023**.

Equity Statement

One of the core values of eCampusOntario is inclusion via a digital postsecondary ecosystem that allows every educator and learner to thrive. The membership of the Francophone Advisory Committee aims to be as diverse as possible. The Advisory Committee values an environment that welcomes input from Indigenous peoples, racialized persons, persons with disabilities, and lesbian, gay, bisexual, transgender, and queer persons. In addition, when seeking members for the Advisory Committee, eCampusOntario undertakes to balance, to the best of its ability, representation in the following categories: gender, age, cultural background, type of higher educational employment, and location.

Accessibility Statement

In accordance with the Accessibility for Ontarians with Disabilities Act (AODA), eCampusOntario is committed to accommodating applicants with disabilities throughout the talent acquisition process. If you require any accommodations at any point during the talent acquisition process, please contact Andrea Krasznai at akrasznai@ecampusontario.ca.
